Dear Ms. Al Zayani

Subject: Clarification on press reports on McLaren financing facility

In light of recent press reports, we would like to clarify that NBB is currently in discussions with McLaren about a financing facility. These discussions are at an advanced stage and no agreement reached so far. Until, however, final documentation has been agreed and signed, regulatory approvals are obtained and any associated conditions precedent are satisfied, these discussions may or may not lead to this financing being extended.

Yours sincerely,

Russell Bennett
Chief Financial Officer
